

NEW ECONOMICS FOR WOMEN PROPERTY PROFILE

NEW ACADEMY OF SCIENCE AND ART CHARTER SCHOOL

Background:

The mission of the New Academy of Science and Art (NASA) is to create a child-centered environment where students are able to work cooperatively, become self-directed, think critically, develop self-esteem and self-assurance, and have respect for cultural diversity. NEW Academy has three specific performance objectives: 1) to promote student progress in academic and artistic achievement, with an emphasis on the arts and sciences, 2) to develop social, as well as community ethics and values in the students' character development with parental participation, and 3) to implement the most appropriate curriculum for every child after initial assessment.

The school is comprised of 11 classrooms for K-5th grade students, and boasts an art room, library, and administrative offices. The school website is www.newnasa.org.

Location:

The site is located in the Pico-Union / Belmont community in the City of Los Angeles. Grades K-2nd are located at NEW's La Villa Mariposa Development and Grades 3-5th are located at NEW's Casa Loma Development.

Amenities: Adjacent to NEW's Prosperity Center, NASA parents and students have access to a number of needed services and resources such as the Center on Economic Literacy and Wellness Center. A number of free workshops are held at the Prosperity Center to provide families with economic and health learning opportunities.
